GREEN BAY - Faith Transformation House is a House for the development of men aged 18 or over in the community. It currently has openings for:

Maintenance volunteers - Help with general maintenance of the facility including yard work, painting, and handyman projects.

Office volunteers - Answer phones, help with mailings, file, and other clerical duties. This opportunity might require additional training, a weekly shift and a 1 year commitment.

Event committee volunteer - Serve as a committee member for one of our annual or fund-raising events. This would include assisting in the planning and administrative process for our Open House in May, Feed the Homeless BBQ in August, Golf Outings, and Run/Walk events.
