

Wis Democracy Campaign - One Action for You to Take on Gableman

Posted on Oct 09, Posted by [Wisconsin Democracy Campaign, Matt Rothschild](#) Category [Wisconsin](#)

MADISON - The fishing expedition being conducted by Michael Gableman is disgusting, and I'm hoping you'll write a letter to your local newspaper denouncing.

Here are some points to make, in your own words.

1. Gableman is biased. He said publicly after the election that it was stolen, so how can such a biased person be in charge of this investigation?

2. One of his aides made a grotesque incitement to rightwing violence and corrupt law enforcement. The aide, Andrew Kloster, was a lawyer in the Trump Administration. Here's what he said, according to the Milwaukee Journal Sentinel: Conservatives need our own "irate hooligans" as well as prosecutors who will "let our boys off the hook."

3. This is an outrageous waste of taxpayer dollars. Vos has allocated \$676,000 of our tax dollars for this, even though the vote was already recounted and certified. This is just a partisan ploy to placate Vos's base, and we, the taxpayers shouldn't have to pay for it.

Your letter should be 200 words or less!

To submit, just Google the name of your local newspaper and "letters to the editor," and follow the instructions there.

Please send me an email if your letter gets published.

Thanks and good luck!

Best,
