

Wis Democracy Campaign - Sunshine and Justice!

Posted on Mar 17, Posted by [Wisconsin Democracy Campaign, Matt Rothschild](#) Category [Wisconsin](#)

MADISON - I hope your week is going well. Here are a couple of great articles that my colleague luscely Flores has written for us in the past few days.

The first is essentially the text of a brief talk she gave in Milwaukee at a press conference on the need to make legislators retain all of their records:

[Wisconsin Democracy Campaign Supports New Sunshine Law](#)

And the second is a story she wrote after attending an inspiring event in the Wisconsin Capitol:

Economic Justice Bill of Rights Introduction

[State Reps Hong and Shelton Reintroduce Economic Justice Bill of Rights](#)

For my part, I've been giving talks to several groups recently about all the money in our Wisconsin Supreme Court race and how we got in this predicament. Here's one version of it:

[Recusal and the Wisconsin Supreme Court](#)

And if you're free this Saturday, please attend the [Wisconsin Grassroots Festival](#). My colleague Carlene Bechen will be giving a talk during the morning breakout session about fair voting maps as a path toward representative government, how every issue that faces Wisconsin is impacted by the heavily gerrymandered voting district maps, and what we can do to end gerrymandering. The festival starts at 9:00 a.m. and is at Wisconsin Heights High School, 10173 US Highway 14.

Have a nice weekend!

Best,
