

## Wis Democracy Campaign - Stop Voter Suppression in Wis!

MADISON - This week, some GOP members of the State Legislature have been circulating a raft of ugly voter suppression bills. Here's what we posted on them:

### [Say No to Voter Suppression Bills](#)

I hope you'll contact your legislators and urge them not to back these anti-democracy bills!

For our part, we're doing all we can to oppose them. I've written op-eds for the Cap Times, the Wisconsin Examiner, and Urban Milwaukee about them, and I've been interviewed on WORT and the Devil's Advocates. Plus, we're working with our partners in the Wisconsin Voting Rights Coalition to get the word out.

This week, we also filed four formal complaints with the Wisconsin Ethics Commission when we discovered that the following committees accepted donations from corporations in excess of the \$12,000 statutory limit:

- Republican Assembly Campaign Committee
- Committee to Elect a Republican Senate
- Assembly Democratic Campaign Committee
- Democratic Party of Wisconsin.

Here's our report on that:

**[Legislative Campaign Committees, State Party Accept Excessive Contributions](#)**

And if you want to find out which corporations gave the most to the legislative campaign committees and political parties in Wisconsin, we dug that out for you, too:

**[State Parties, Legislative Campaign Committees Accepted \\$1.6M in Corporate Contributions in 2020](#)**

As you can see, It's been a busy week for us!

I hope you have a nice weekend.

Best,
