Virtual listening session will cover topics including protecting and expanding access to healthcare, investing in mental health services, lowering prescription drug costs, and caring for aging and older adults.

MADISON — Gov. Tony Evers will this week host the second of six virtual Badger Bounceback Live Sessions to discuss his 2021-23 budget proposal. As highlighted in a [video message](#) from the governor, the listening session will cover topics including expanding access to quality, affordable healthcare, protecting people who have pre-existing conditions, investing in mental health services, expanding BadgerCare, and investing in caregiving and long-term care for aging and older adults and people with disabilities.

The Badger Bounceback Live Session on Accessible & Affordable Healthcare will occur on Thurs., March 25, 2021, at 6 p.m. Wisconsinites are invited to register to attend [here](#). The live session will also be live streamed and available to watch any time on the governor's YouTube channel [here](#).
