Delta Dental Donates \$28,000 to Boys & Girls Clubs for Brewers 2022 Stolen Bases.

Milwaukee – Delta Dental of Wisconsin has teamed up with the Boys & Girls Clubs for the sixth consecutive year to sponsor stolen bases on the Brewers Radio Network. For every Brewers stolen base, Delta Dental “bags” another donation for over 90,000 club kids across Wisconsin. Delta Dental rounded up this year’s donation to \$28,000 for the 28 Administrative Clubs that serve Wisconsin.

"Delta Dental is proud to support club kids across 197 sites in Wisconsin," said Amanda Lowery, company spokesperson for Delta Dental of Wisconsin. "The intent of the program is to provide flexibility for the Clubs wherever they have a need, whether that be providing membership scholarships, meals, or programs. We're committed to giving back to the communities in which we work and live."

"This gift provides program access kids who need opportunity the most," said Andy Gussert, Director of Wisconsin Boys & Girls Clubs. "Delta Dental's donation funds the partial scholarship of membership fees for 40 youth in each club every year, so kids across the state can participate in afterschool programs. Delta Dental helps us improve the lives of the kids who need it the most."
