GREEN BAY - The newly established Citizen Action Northeast Organizing Co-op met for the first time last Thursday night to begin the process of planning internal governance and initial issue campaigns. Co-op members braved the winter weather to gather in Kaukauna to toast the start of the new NE WI Organizing Cooperative, using sparkly cider provided by Renee Gasch.

People were passionate in their opinions about which issue to work on first, and want to work on several issues. Voting continues till January 20th to elect the inaugural steering committee.
