Uihlein is spending millions of dollars to buy an election for Kevin Nicholson, because Uihlein wants a U.S. Senator who will work for him, say Dems.

MADISON - Billionaire Dick Uihlein-funded groups have now spent nearly \$11 million to buy a U.S. Senate seat for **Kevin Nicholson**, [according to a new report from the Milwaukee Journal Sentinel](#)

Most recently, a Uihlein-funded group called Solutions for Wisconsin on Wednesday launched a \$911,000 TV ad buy attacking Nicholson's primary opponent, **Leah Vukmir**. That follows a July investment from another Uihlein-bankrolled group called Club for Growth Action Wisconsin, which last month spent more than \$2 million on TV ads attacking Vukmir.
