MILWAUKEE - [We reflect on the 13 year history of the Battleground Wisconsin Podcast](#) and how it is an important piece of Citizen Action's history that is at the heart of our 40th Anniversary events that start next week. We are celebrating on [Monday, March 11th, 6pm in Milwaukee](#) and [Wednesday, March 13th, 5:30pm in LaCrosse](#).

We thank State Representative Kristina Shelton for her years of public service in the state legislature. She is a unique progressive voice and we need more like her. We remind our listeners that the next 2 months will determine who is running for the many new seats in the Legislature, a generational opportunity for progressives to reshape governance in the state. It is up to all of us if we will seize it!

Following Super Tuesday and with Thursday night's State of the State, the general election has commenced this week. Biden vs. Trump II is upon us.
