Republicans in DC & Madison are failing to repeal health care or approve a state budget.

STATEWIDE - Much like Dr. Seuss' Zaxs, GOP leaders who control all levers of power in DC & Madison are puffing their chests up with pride but failing to repeal health care or approve a state budget.

We discuss the Senate healthcare bill 2.0 that GOP leaders are hoping to pass next week without the CBO score they promised. The panel reviews the GOP stalemate in Madison over the state budget and explores the opportunity it presents progressive leaders to articulate a compelling vision ahead of 2018 elections.

We also take a sneak peek at the electoral opportunity Paul Ryan's failed Speaker-ship is presenting Democrats, and the Congressional town hall we held without Ryan in his own district with another Congressman.
