We discuss the scandalous GOP lame duck, budget listening sessions with Tony Evers, the coming Inaugural events, and a special interview with Eric Genrich, who is running for Mayor of Green Bay.

MILWAUKEE - We discuss the latest on the scandalous GOP lame duck, including the pending legal action against the early voting in Wisconsin.

We welcome Citizen Action North Central Co-op organizer Joel Lewis to review the Wausau budget listening session with Tony Evers, which in openness stands in sharp contrast with the infamous GOP lame duck session.

Former podcast panelist Jorna Taylor joins us to discuss Inaugural events and how to participate. We close with a special interview with Citizen Action Northeast Co-op member Eric Genrich, who is running for Mayor of Green Bay next spring.
