Panel reviews the right-wing assaults on reason and freedom in Wisconsin and the Nation.

MILWAUKEE - This week we review a large number of right-wing counter assaults on reason and freedom from the Wisconsin Legislature and at the national level. We explore deserted Foxconn buildings, the shocking GOP debrief of their 2018 Wisconsin election debacle. Finally we discuss the latest entry into the crowded Democratic presidential primary, and announce a new feature in which Battleground Wisconsin listeners will have the opportunity to help determine the best progressive candidate.
