Progressive critiques Governor, Republicans, gun laws, and the NRA.

MADISON - When I saw that Gov. Evers was speaking to Wisconsin Manufacturers & Commerce, I decided to take a look at his talk. And I was horrified to find out that he complimented WMC, which has done so much damage to our state over the last nine years. Here's my critique of the governor's talk:

[Evers Bows to WMC](#)

This week, we also took a look at the money that legislators have hauled in recently, and we discovered that the GOP's haul was twice as big as the Democrats':

[Republican Lawmakers Led Fundraising in First Six Months of 2019](#)

And in a follow up to our post last week on the NRA in Wisconsin, we noted that the Republican Senators who were dodging the issue of gun laws so studiously were also recipients of the NRA's largesse:

[GOP Senators Dodging Gun Law Questions Got Election Support from NRA](#)

Thanks for taking a look at our offerings this week.
