MILWAUKEE - We discuss the new House Democratic prescription drug plan that passed the House on Thursday. We review a new study that found for the first time in history, U.S. billionaires pay a lower tax rate than the working class.

Also, Senator Tammy Baldwin joins only 26 other U.S. Senators telling Donald Trump to fire white nationalist advisor Stephen Miller. We close with a discussion of defrauded loan student borrowers who are being further abused by Trump's Education Secretary, and finally some brief reflections on impeachment.
