---

MADISON - Lt. Gov. Barnes today delivered the Democratic Radio Address thanking Wisconsinites for wearing face coverings and providing some tips on how and when to wear a face covering.

[Audio file of radio address](#) .

*Hi, Wisconsin! It's Lt. Governor Mandela Barnes here.*

*As every region of our state continues to see high levels of COVID-19, I wanted to take a moment today to thank you for wearing a face covering or mask whenever you're out and about.*

*This simple task could save lives as we know face coverings and masks are effective tools to stop the spread of COVID-19.*

*So I wanted to share some tips to make sure you're wearing your mask the right way and at the right times.*

## Democratic Radio: Thanking Wisconsinites for Masking Up

*First of all, wear your mask whenever you are indoors in a space that is not your own home.*

*Second, wear a mask anytime you're around others who you don't share a home or living unit with.*

*Next, always wash your hands before and after putting on or taking off your mask. And try not to touch it or move it around without washing your hands.*

*And finally, remember that a mask or face covering is not a substitute for physical distancing. Please continue to maintain 6 feet of distance between you and anyone who is not a member of your household.*

*These steps are critical to our efforts to box in this virus and keep Wisconsinites safe. My mask protects you, your mask protects me.*

*So Mask Up, Wisconsin, and let's get through this together.*
