Campaign announces another round of record-breaking fundraising.

MADISON, Wis. — Today, Governor Tony Evers announced that he raised over \$4.5 million in the span of 37 days — nearly double what Scott Walker raised in the same period in 2018, shattering previous records for this reporting period.

“From his time as a public school science teacher to now as governor, Tony Evers has worked to bring people together and do the right thing for Wisconsin,” said **Tony for Wisconsin Campaign Manager Cassi Fenili**

. “This latest report shows our grassroots supporters are fired up and ready to win in November. Governor Evers knows Wisconsinites want common sense solutions to the issues facing our state, and our fundraising report shows that.”

Since January 2021, Gov. Evers has raised more than \$25 million — the most of any prior Wisconsin gubernatorial candidate at this point in the cycle and one of the most expensive gubernatorial races in the country in 2022.

Since announcing his re-election campaign last year, Gov. Evers has continued to expand his team, communicate with voters, and invest in crucial grassroots organizing that’s connecting with voters in every corner of the state. This record-breaking fundraising report is just another sign that Wisconsinites are fired up and ready to re-elect Gov. Evers.
