MADISON, Wis. — Ahead of Vice President Kamala Harris’ visit to La Crosse today to highlight the stakes for reproductive freedom this November, **Democratic Party of Wisconsin Chair Ben Wikler** released the following statement:

“Vice President Harris has been at the forefront of the fight to defend Americans’ fundamental reproductive freedoms, advancing reproductive justice, and ensuring that every person has the freedom to control their own body and future. While Donald Trump and MAGA Republicans are hellbent on eliminating reproductive freedom and passing a nationwide abortion ban, Wisconsinites can trust that President Biden and Vice President Harris will do everything in their power to restore the protections of *Roe v. Wade* as the law of the land. Wisconsin Democrats are forever grateful for Vice President Harris’ leadership, and we’re thrilled to once again welcome the Vice President back to our state.”
