MADISON - Following guidance from local health officials to limit gatherings of more than 250 individuals, the Democratic Party of Wisconsin will postpone its annual Founders Day dinner to a later date.

The health and safety of Wisconsinites is our number one priority. It's time for all groups and institutions with events planned in the next few weeks to take swift action to slow the spread of Coronavirus.

We now turn our focus to the April 7th spring election. You can request an absentee ballot for the April 7th election online – you don't even need to provide a reason. Make sure to vote for Jill Karofsky in the State Supreme Court election!

Request Absentee Ballot: <https://myvote.wi.gov/en-US/VoteAbsentee>

Wash your hands often and stay safe!
