We talk about Trump, Congressional Republicans and the rush to repeal the Affordable Care Act, Trump's cabinet picks, WEDC, and more.

STATEWIDE - We welcome subzero wind chills by discussing the reckless plan by Trump and Congressional Republicans to repeal the Affordable Care Act without a viable replacement.

We also look at Trump's diverse and highly qualified cabinet picks (we kid); the scathing report of dysfunction at the state's ethics agency by a resigning commissioner; more outsourcing follies at WEDC; new data on the high cost of private vouchers for public education; the latest on Paul Ryan's relationship with Trump; and the the atrocious conduct of Donald Trump's favorite Sheriff, David Clarke.
